1. General Principles and Deadlines

All business expenditures must be ordinary, reasonable, and necessary for business operations. Expense reports must be submitted within 30 calendar days of the date the expense was incurred.

Late submissions past 60 days will be rejected and will not be reimbursed by Accounts Payable.

2. Client Entertainment and Dining

Client dining expenses are reimbursable up to a maximum of \$100 per attendee including tax and tip. Alcohol is only eligible when accompanied by a full meal with external clients or partners. The names, titles, and company affiliations of all attendees must be documented on the receipt.
