

Remote and Hybrid Work Policy

1. Hybrid Work Framework

The company operates under a hybrid working model. Eligible employees whose roles permit remote execution may work remotely up to 3 days per week, subject to direct manager approval.

To foster team collaboration, Tuesday and Thursday are designated as mandatory in-office core collaboration days for all hybrid employees residing within 50 miles of a regional office.

Core business working hours are 10:00 AM to 4:00 PM local time. All remote employees must remain reachable via Slack and email during these core hours.
