

Corporate Business Travel Policy

1. Travel Authorization Requirements

All business travel must have prior written approval before booking tickets. Domestic travel requires Department Head approval at least 14 days in advance. International travel requires Vice President (VP) approval at least 30 days in advance.

2. Air Travel Booking Guidelines

Economy class is the standard travel booking class for all domestic and short-haul flights. Business class booking is only permitted for continuous commercial flight segments exceeding 6 hours duration.

All bookings must be completed using the corporate travel management tool (Navan) to secure pre-negotiated corporate discounts.

3. Hotel Accommodations and Nightly Limits

The maximum reimbursable nightly rate for standard hotel rooms is \$200 per night (excluding mandatory state/city taxes and resort fees). For designated Tier 1 high-cost cities (New York, San Francisco, London, Zurich), the nightly ceiling is increased to \$320.

4. Daily Meal Per Diem Allowance

The daily meal per diem cap is \$75 per day when traveling on overnight business trips. The recommended breakdown is: Breakfast: \$15, Lunch: \$25, Dinner: \$35.

Original itemized receipts are strictly required for any individual meal or transit expense exceeding \$25.
